

DAVID MARTÍNEZ ZÁRATE

GRAPHIC DESIGNER
CONTENT STRATEGIST

In my work, what matters to me is to be appropriate, balanced, and memorable; my goal is to strike a balance between clarity, form, and function, as well as meticulous attention to detail.

WHO I AM

Professional Graphic Designer, with a M.A. in Morphology from FADU- Universidad de Buenos Aires, Argentina. With more than 15 years of experience working in advertising, merchandising, design and visual communication on innumerable projects, including more than 10 years at El Tiempo Newspaper, Colombia's largest and most respected editorial house. Having demonstrated leadership, initiative and independence working with creative directors, clients and sales executives to create visual advertising concepts, advertising campaigns also advertising materials. Furthermore, have experience as an Art Director.
